CALACATTA SUPERIOR GOLD

A large, rectangular slab of Calacatta Superior Gold marble. The background is a light cream or off-white color, featuring intricate, flowing veins of gold and light brown. The veins vary in thickness and direction, creating a dynamic and elegant pattern. The text "CALACATTA SUPERIOR GOLD" is overlaid on the left side of the slab.

VIENNA GOLD

The background of the entire image is a marble pattern. It features a light cream or off-white base color. Overlaid on this are several veins of a soft, dusty blue or lavender color. These veins are irregular and meandering, creating a sense of organic movement. Interspersed among the blue veins are thin, delicate lines of a warm, golden-brown or light tan color. The overall effect is a sophisticated and elegant natural stone pattern.
